What pet parents say

"Amazing customer service and very easy to submit claims. I purchased this insurance only hoping to use it in the near future for urgent health care for my newly adopted pet. But that quickly changed. Took her to the vet and submitted a claim. Within 3 days my claim was approved, and they covered 80% of the vet cost after the annual deductible — saving me and my partner from a hefty bill and helping keep our new kitty healthy. Extremely grateful for Rainwalk pet insurance." - Nelson
